

JBL ONBEAT VENUE™ LT

Wireless speaker with Lightning connector for iPhone 5

JBL OnBeat Venue™ LT

Introducing the JBL OnBeat Venue™ LT, the first wireless speaker equipped with the Lightning connector. It not only docks and charges the iPhone 5, it gives you the freedom to listen to music, watch movies and play games wirelessly.

Take your iPhone 5, iPad or iPad mini into a new realm. Meet the JBL OnBeat Venue LT, an amazing, wireless *Bluetooth*®-equipped loudspeaker dock for the latest Apple devices. Equipped with the Lightning connector, the JBL OnBeat Venue LT lets you experience music, movies, videos and games on your iPhone 5, iPad, iPad mini or iPod touch – in true JBL® high-definition sound. It also wirelessly streams music from any *Bluetooth*-enabled device. And don't worry about signal strength; HARMAN TrueStream™ technology guarantees the best possible wireless connectivity.

Highlights

- 30 watts of amplified power
- Lightning connector for the iPhone 5
- Wireless audio streaming
- HARMAN TrueStream technology
- Powerful JBL drivers
- Slipstream port technology

Hear the truth™

JBL ONBEAT VENUE™ LT

Now your iPhone 5 really rocks

Key Features

30 watts of amplified power

Small box. Big sound. No doubt. Since this little powerhouse is a JBL speaker system, you can have faith that it delivers great JBL sound. The JBL OnBeat Venue LT offers 30 watts of amplification – enough to get your party bouncing.

Lightning connector for the iPhone 5

This powerful loudspeaker includes the new Lightning port, so it docks – and rocks – the iPhone 5, iPad, iPad mini, iPod touch and other Apple devices. With exceptional JBL bass and the latest Apple functionality, you get both thunder and Lightning.

Wireless audio streaming

Listen to music, watch movies and play games – all with high-quality AAC *Bluetooth* streaming. We've designed the JBL OnBeat Venue LT for your iPad, but it also works with the iPad mini, iPhone 5, iPod touch and virtually any other audio player that uses *Bluetooth* technology.

HARMAN TrueStream technology

HARMAN TrueStream tech guarantees the best possible listening experience when you're streaming audio wirelessly via *Bluetooth* technology. Our products always use the most current, most advanced connectivity option to ensure the highest-quality sound, no matter what application or source device you use.

Powerful JBL drivers

The JBL OnBeat Venue LT's two full-range transducers provide you with room-filling sound. Experience clear highs and mids, plus exceptional bass – the true JBL sound that you've come to love.

Slipstream port technology

Proprietary Slipstream port technology in the JBL OnBeat Venue LT gives listeners powerful, great-sounding bass with low distortion. Whether your entertainment source is docked or streaming, you'll experience bass that you can really feel.

Dock charger for iOS® devices

The JBL OnBeat Venue LT works seamlessly with your iPhone 5, iPad, iPad mini and other Lightning-equipped Apple devices. A sliding dock charges the device, which means when you're ready to undock and take on the day, so is your favorite listening device.

What's included:

- 1 JBL OnBeat Venue LT loudspeaker dock
- 1 AC power adapter
- Quick-start guide
