PULL FLOOR LAMP FURNITURE / LIGHTING / ACCESSORIES

Whatswhat on the design "The unique composition of the Pull lamp provides the lamp with a unique personality that both organic and distinctively true to it's Scandinavian design heritage. The partly exposed, partly hidden cord connects the elements and provides the mechanism to adjust the position of the shade. Moving the shade not only changes the light but also the character of the lamp."

PROCESS	Wood parts are hand-made by manual lathe and wood carving machines. Shade is hand crafted and handled carefully through every step.
