

Ultimate Festival Kit - Classic

FESTKITCLASSIC

If you're going to a festival this year, then instead of trying to remember to make a list of all the essentials to take with you, then going to the trouble of finding them, just take one of these Ultimate Festival Kits.

Containing virtually everything you need to get you through all of the conditions you're likely to encounter when you're out in a field in the middle of nowhere, it's even got toilet seat covers, so you can brave the festival portaloos with a bit more confidence than usual.

A poncho for rain and sunscreen for sun mean that you're covered whatever the weather, and you can clean yourself up and keep yourself smelling sweet with the washing products and deodorant.

And if you manage to pull, there are even condoms included – as well as a torch so that you can find your way back to your tent to have somewhere to use them!
