FRIBKMAG

Can't get enough of your favourite social networking site? With these replica magnets you can recreate your homepage on your fridge and update your status whenever you reach for the milk!

Featuring a series of wipe-clean magnets – think 'Status', 'Comment', 'Wall Posts' and more – as well as a white board pen, this comprehensive fridge magnet set acts as the analogue version of your digital homepage! Use the 'Friends' magnet to hold up pictures of your nearest and dearest, use the 'Like' and 'Dislike' magnets to stick up your favourite takeaway menu or an overdue bill, or scrawl on the 'Notes' magnet to leave a message for your other half. The 'Status' magnet, meanwhile, is a great way to let your fellow housemates or family members know exactly which side you've gotten out of bed without saying a word!
