

Secret Agent Phone Holder

SEAGPH

Swap your phone holder for a Phone Holster and feel like Starsky or Hutch in the process! Stick-on seventies sideburns and handlebar moustache included for the full retro American cop effect!

Worn like a real FBI-style holster (that's the kind that you wear around your shoulder and do up across your back so it can't be seen under your jacket), this fun phone holder is an ingenious way to keep your mobile close at hand. Plus, there's no denying it's seriously good fun to whip out your phone like you're reaching for your gun every time you need to make an important phone call!

Going to a fancy dress party or just want to recreate the classic '70s cop look for a laugh? The Phone Holster comes with self-adhesive '70s-style facial hair for added undercover agent appeal! Instant Starsky or Hutch!

- >> Self-adhesive '70s-style sideburns and handlebar moustache included
