

Warnings:

- Not to be used on or near the public roads/motorways.
- Not to be used on or near railways lines.
- Not to be used on or near water.
- The Roller Ball is sold for private/personal use on private land and is not to be deployed commercially.
- Not to be used by or near children or animals.
- The minimum accepted user height is 1.5 metres; the maximum accepted weight is 200 kilos.
- Do not Use the Roller Ball on steep gradients. The Roller Ball has no brakes and is susceptible to being blown by the wind. Do not use if wind speeds exceeds 20mph.
- Use on land which is clean and clear of all obstacles. If using on a slope, make sure there is a long clear area of run-out so the ball can stop naturally without reliance on persons or objects.
- Always strap yourself in. Never use alone. Ensure there are no obstacles in your path.
- Not suitable for persons suffering from a medical condition likely to be adversely affected by the extreme movement/forces experienced when using the Roller Ball. Examples include persons with heart disease, pregnant women, persons suffering from claustrophobia, back problems or with behavioural disorders. If in doubt, seek medical advice.
- Prohibited for use by persons under the influence of alcohol and/or drugs.
- Do not attempt to lift the Roller Ball on your own.
- Thumbs Up and its resellers are not liable for any injuries obtained while using the Roller Ball. Use at own risk.
