## iWallet IWALBLK

Are your pockets out of control? Your iPhone's jumbled up with cash, cards and receipts - but you still don't want to carry around a bulky wallet?

The iWallet will restore pocket order! Snapping closed with a svelte magnet catch, the slim-line iPhone 4 case serves as gadget protection while conveniently organising your pocket clutter!

So now alongside your emails, text messages and music in your iPhone, you can keep your all-important pieces of plastic, cash and travel cards!

- >> Protective wallet case restores pocket order
- >> Magnet snap fastener
- >> Multiple card slots including one window
- >> Carbon fibre effect finish
- >> Compatible with iPhone 4
