

PRODUCT FACT SHEET

PLUGGED PENDANT LAMP FURNITURE / LIGHTING / ACCESSORIES

Broberg & Ridderstråle on the design "The space between the shades and the ceiling is highlighted by the pattern of the textile cord - and the placing of the plug on the side gives the lamp a dynamic appearance and brings life to an otherwise static typology. The concave diffuser adds to the freshness with the infinite sensation you get, when you look into the lamp."

PROCESS	Deep draw/press shaped by spinning and leathering. Hand painted and assembled by hand. Diffuser cut by laser.
DESIGNED BY / YEAR OF DESIGN	Broberg & Ridderstråle / 2008
TYPE	Pendant light
LAMP DESCRIPTION	The Plugged pendant lamp plays with the elements most lighting armatures try to hide. It emphasizes how the lamp is "brought to life" thereby giving it character and difference.
ENVIRONMENT	Indoor
